

## ANNUAL NOTICE OF NON-DISCRIMINATION

Recipients of federal funding must annually issue a public statement of non-discrimination for all career and technical education programs.

This notification is to:

- Be made prior to the beginning of each school year.
- Advise students, parents and families, employees, and the general public of the policy of non-discrimination.
- Contain an assurance that the lack of English language skills will not be a barrier to admission and participation in career and technical education programs.
- Be disseminated to communities of national origin minority persons with limited English language proficiency skills in their native language.
- Provide a brief summary of program offerings and admission criteria.
- Provide the name or title, office address and telephone number of the person(s) designated to coordinate Title XI and Section 504 compliance.
