

Counselor's Corner

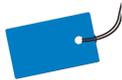

What does a School Counselor do anyways?

You are ALL a winner and I want each student to know and see that!

I can help fix a broken heart, and make it feel better.

No one else should define you. I want you to create your own labels for who you want to be!

I help put out fires in your life! Friendship, school, family troubles.

I will help correct your mistakes.

I want to help show and teach you how to LEAD and be a LEADER!

I am a great listener!

I can help solve your problems, sometimes even the complicated ones.

I am a secret keeper; unless you are in danger or wish to harm yourself or someone else is harming you.

Sometimes we get stressed, overwhelmed at times.

No matter what happens to you, in your life, you WILL bounce back!

A Little Side Note:

I haven't gotten to meet all the parents/guardians of our students here. So here is a little information about me: I went to Memorial as a student, then on to HCHS. I graduated Campbellsville University with my teaching degree. I then received my Master's in school counseling from the University of the Cumberland. I taught 1st grade for 7 years and now I am very excited to be back "home" as school counselor! I look forward to getting to know all of your children!

What's Happening in the classrooms?

To start off the school year, I have been getting to know your kiddos and visiting classrooms. In the classrooms we have been learning, discussing, and becoming familiar with different topics. Some of those topics include but are not limited

to: The 7 Habits (Be proactive, Begin with the end in mind, Put first things first, Think win-win, Seek first to understand then to be understood, Synergize, and Sharpen the saw),

keeping our hands and feet to ourselves, what good friends do, personal hygiene, and skills on working together.

Reminders:

- If you received a letter about immunization, please, get those back to me ASAP!
- All kindergarten students must have a dental and vision screening turned in by January or sooner!
